## Training Offer

Autumn & Spring 2022-2023

Maintained primaries & existing SLAs

Inclusion teachers offer staff training on all aspects of SEND and inclusion, coproduced with you and tailored to the needs of your setting. These 60-90 min sessions can be held at your school for your whole staff or the team around a particular student.

Some of our most popular topics include:-

- Strategies for managing behaviours that challenge
- Attachment & trauma awareness
- ADHD awareness
- Supporting anxiety in school
- Zones of regulation
- Positive lunchtimes
- Multisensory Approaches
- Precision Teaching
- Developing SMART C & L Targets
- Implementing a graduated response
- Dyslexia Friendly classrooms
- Using visuals to support learning in the classroom

We also offer more bespoke training & support for staff. Contact Paul Cornall for RA or your Inclusion Team for the training below:-
